

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Gerald Mason v City of Menominee**
Docket No. **283596**
L.C. No. **02-010066-CH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

This appeal, which was initiated by a claim of appeal filed on February 12, 2008, is DISMISSED for lack of jurisdiction because the order of January 23, 2008, is not a MCR 7.202(6)(a)(i) final order as it is neither the first order disposing of the claims of the parties as required by MCR 7.202(6)(a)(i), nor did it reverse an earlier final order. The first order is the order of December 11, 2007, for which a claim of appeal is pending in docket number 282714. The circuit court lacked the authority to enter the order of January 23, 2008, because the claim of appeal in 282714 was already filed. See MCR 7.208(A).
